

Fee Schedule

Bromley Psychology offers comprehensive psychological assessment for children and adults from 6 years of age. If your child is under 6 years, they may be eligible for support through the NDIS's early childhood early intervention approach without a psychological diagnosis. Please contact the NDIS for more information.

	FEE	MEDICARE REBATE * With a Mental Health Care Plan	OUT OF POCKET EXPENSE

Report Preparation	\$320.00 / hour	N/A	N/A

All appointments are approximately 50 minutes.

Rebate information

A Mental Health Care Plan or a paediatric referral is valid for two years from the date of referral. However, a maximum of ten (10) individual and ten (10) group sessions with an Allied Health professional are able to be rebated in a calendar year. Following the initial course of treatment (maximum of six sessions), individuals can access more sessions upon review of up to 10 per calendar year. After the initial six sessions you will need to have your plan reviewed by your GP to allow for the further four sessions.

When making an extended appointment to see your doctor for a Mental Health Care Plan, ensure that they implement a Mental Health Care Plan (Item 2715, 2717, 2700 or 2701) or that your paediatrician / psychiatrist has specified referral to Dr Simone Heeney in a letter as we cannot rebate you otherwise.

Please note that while a letter will be provided to the referring doctor following the allocated number of sessions according to the plan, outlining assessment results, clinical interpretations and recommendations, report preparation and writing for the purposes of school or other funding, letters for special consideration or other documents requested on behalf of the client are not eligible for Medicare funding and are charged at \$320 per hour.

In the event of an individual meeting the criteria for ASD, a letter will be provided for the purposes of NDIS funding at no extra charge.

Payment

Payments can be made by EFTPOS using a credit or debit card, direct bank transfer or cash payment. Online payments can be set up using a credit card – please enter your credit card details on the intake form to activate.

The full fee is payable if appointments are cancelled within 24 hours of the session time and for nonattendance without notice – these fees will need to be paid prior to further appointments being scheduled.

Fees must be paid in full by at the time of each session, or at least 24 hours prior to an out of office consultation.
